CATALOGUE

Dear Customer,

We are again pleased to provide you with our OZ Catalogue.

We regret to advise that due to volatile world metal prices, particularly nickel silver, copper and zinc [i.e. brass] as well as constantly changing prices from our suppliers, we are unable to provide prices with this catalogue.

Price for individual items are available by fax, email and phone.

It would be appreciated if you would quote the Stock Numbers shown in this catalogue as this saves our office staff considerable time in translating and processing your orders.

Please note our *Conditions of Sale* on Page [11](#).

We sincerely thank you for your support and look forward to being of service.

Yours faithfully,

J. Larsen Pty Ltd
